Survey Period:	04/30/2011	Z/P+4: 39352 - 9998	F6CQK0
		through 05/13/2011	

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order are two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

POSTAL CUSTOMER
PORTERVILLE POST OFFICE
PORTERVILLE, MS 39352

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Porterville Post Office retired on 12/01/2008. The Office is being studied for possible closing or consolidation for the following reasons: Due to declining window traffic, I am proposing that this office be studied for closure.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by rural route service emanating from the Lauderdale Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Lauderdale Post Office, located 25.0 miles away. Hours of service at this office are 08:00 16:30, Monday through Friday, and 09:00 11:00 on Saturday. Post Office box service is available at this location at the same fees.

I invite you to think about a possible change to rural route service. Please return the enclosed questionnaire by 06/09/2011 using the pre-addressed envelope provided or at the community meeting. Please be aware that, if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Porterville Community Center, 200 School Road on Thursday, June 09, 2011 from 5:00 p.m. to 6:00 p.m. to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call Linda Cassidy at (601) 351-7311.

Thank you for your assistance.

Sincerely,

PAMELA LOWERY

*Note: we do not favor the closing of this Post office -
Small communities need this service & the local employees
need their jobs. There are much greater areas that
could be curtailed / downsized. This proposed closure
would only hasten an already declining community.*

The Post office is the hub of Porterville. It is where we go when something bad happens. To talk about it and see what to do. If people don't show up on a certain day someone checks on them. It is where we go to show off the deer or turkey that was killed or the big fish that was caught. It is where we go to find answers to questions. Porterville Post office is more than a Post office. It is the heart of our community. Take away the heart and we die. It is all we have.

OTHER COMMENTS:

We really need this post office in our community. It provides a valuable service to its customers-service that cannot be performed by another facility. They provide a very personal service that will disappear when the load of our post office is put on another post office. In the event that after all is said and done, our post office must close, it is more feasible and accommodating for the work load to be sent to the post office in Lauderdale. It is closer for most of the people of the community especially those on the south end. For those on the north end, Scooba would be the ideal place.

I understand the expense for rent and utilities for the Porterville Post Office is minimal.

I also understand it will cost more for the new Post Office to handle our mail as it will be more and extra mail and the Postmaster will be compensated for it.

Also, the Mail Carrier will be traveling many more miles and will be compensated more for it.

Even for the price of a PMR or Postmaster, I don't see how moving our Postal Service will be less costly for the Government than leaving it as is. I do not advocate a change --

Thank you for returning your questionnaire concerning the proposed discontinuance of the Porterville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern for loss of community identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the community name in addresses. However, to ensure effective and regular service, the ZIP Code will change.

If it is determined that a discontinuance of the Porterville Post Office should be pursued, a formal proposal will be posted in the Lauderdale Post Office and Porterville Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Porterville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of a bus stop at the Post Office. Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about nonpostal services. Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.

Thank you for returning your questionnaire concerning the proposed discontinuance of the Porterville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

In response to your letter:

- You expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.

PROPOSAL TO CLOSE
THE PORTERVILLE, MS POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1378155 - 39352

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Porterville, MS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Lauderdale Post Office, located 10 miles away.

The postmaster position became vacant when the postmaster retired on December 01, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: To streamline operations to create efficiencies and cost savings to balance the Postal Service's business needs against the needs of its customers. Porterville office can be served from Lauderdale office less eleven miles away and could meet the postal needs of customers in this community and can provide an equal or better level of service.

The Porterville Post Office, an EAS-13 level, provides service from 7:30 to 12:00, 12:30 to 4:00 Monday - Friday, 7:30 to 9:30 Saturday and lobby hours of 7:30 to 12:00 12:30 -16:00 on Monday - Friday and 7:30 to 9:30 on Saturday to 33 post office box or general delivery customers and 312 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 32 transaction(s) accounting for 33 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$16,395 (43 revenue units) in FY 2008; \$13,943 (36 revenue units) in FY 2009; and \$10,280 (27 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On June 09, 2011, representatives from the Postal Service were available at Porterville Community Center, 200 School Road to answer questions and provide information to customers. 0 customer(s) attended the meeting.

On May 27, 2011, 370 questionnaires were distributed to delivery customers of the Porterville Post Office. Questionnaires were also available over the counter for retail customers at the Porterville Post Office. 36 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 12 unfavorable, and 24 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Lauderdale Post Office, an EAS-16 level office. Window service hours at the Lauderdale Post Office are from 08:00 16:30, Monday through Friday, and 09:00 11:00 on Saturday. There are 251 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

- | | |
|--------------------|---|
| 1. Concern: | Customers expressed concern over the dependability of rural route service. |
| Response: | Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day. |
| 2. Concern: | Customers were concerned about obtaining services from the carrier. |
| Response: | The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and and money order sales. |
| 3. Concern: | Customers were concerned about permit mailing. |
| Response: | Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster. |
| 4. Concern: | Customers were concerned about senior citizens. |

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

5. **Concern:**

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Porterville is an unincorporated community located in Kemper County. The community is administered politically by Porterville Local Government. Police protection is provided by the Kemper County Sheriff Department. Fire protection is provided by the Porterville Fire Department. The community is comprised of predominately retirees and commuters to Lauderdale, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Briggs Chapel, Porterville Zion Church, Porterville Methodist Church, Enondale Zion Church, Cross Mtn Church, Rock Hill Primitive Church, New Beginings Church, Pilgrim Rest Baptist Church, BoHo Sprouts, Bail shop, County Barn, Fire Department, and Community Center, Porterville Water Association, Timberview Lodge, McCuen Co., Dirksen Construction, Stop N Go, Brigg's Lawn Service. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Porterville Post Office will be available at the Lauderdale Post Office. Government forms normally provided by the Post Office will also be available at the Lauderdale Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about nonpostal services.
Response: Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
2. **Concern:** Customer expressed a concern about the loss of the community bulletin board at the Post Office.
Response: Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
3. **Concern:** Customers expressed a concern about the loss of a bus stop at the Post Office.
Response: Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
4. **Concern:** Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

5. **Concern:**

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the community name in addresses. However, to ensure effective and regular service, the ZIP Code will change.

6. **Concern:**

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

7. **Concern:**

Customers were concerned about loss of employment in the community.

Response:

The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.

8. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on December 01, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 4,500 with a breakdown as follows:

Postmaster Salary (EAS-13, No COLA)	\$ 0
Fringe Benefits @ 33.5%	\$ 0
Annual Lease Costs	<u>+ \$ 4,500</u>
Total Annual Costs	\$ 4,500
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 4,500</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Porterville, MS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Lauderdale Post Office, located 10 miles away.

The postmaster retired on December 01, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Porterville Post Office provided delivery and retail service to 33 PO Box or general delivery customers and 312 delivery route customers. The daily retail window transactions averaged 32. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$4,500 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

FINAL DETERMINATION TO CLOSE
THE PORTERVILLE, MS POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1378155 - 39352

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Porterville, MS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Lauderdale Post Office, located 10 miles away.

The postmaster position became vacant when the postmaster retired on December 01, 2008. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: To streamline operations to create efficiencies and cost savings to balance the Postal Service's business needs against the needs of its customers. Porterville office can be served from Lauderdale office less eleven miles away and could meet the postal needs of customers in this community and can provide an equal or better level of service.

The Porterville Post Office, an EAS-13 level, provides service from 7:30 to 12:00, 12:30 to 4:00 Monday - Friday, 7:30 to 9:30 Saturday and lobby hours of 7:30 to 12:00 12:30 -16:00 on Monday - Friday and 7:30 to 9:30 on Saturday to 33 post office box or general delivery customers and 312 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 32 transaction(s) accounting for 33 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$16,395 (43 revenue units) in FY 2008; \$13,943 (36 revenue units) in FY 2009; and \$10,280 (27 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On June 09, 2011, representatives from the Postal Service were available at Porterville Community Center, 200 School Road to answer questions and provide information to customers. 0 customer(s) attended the meeting.

On May 27, 2011, 370 questionnaires were distributed to delivery customers of the Porterville Post Office. Questionnaires were also available over the counter for retail customers at the Porterville Post Office. 36 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 12 unfavorable, and 24 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Lauderdale Post Office, an EAS-16 level office. Window service hours at the Lauderdale Post Office are from 08:00 16:30, Monday through Friday, and 09:00 11:00 on Saturday. There are 251 post office boxes available.

The proposal to close the Porterville Post Office was posted with an invitation for comment at the Porterville Post Office and Lauderdale Post Office from June 30, 2011 to August 31, 2011. The following additional concerns were received during the proposal posting period:

1. Concern:

Customers expressed concern over the dependability of rural route service.

Response:

Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.

2. Concern:

Customers were concerned about obtaining services from the carrier.

Response:

The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.

3. Concern:

Customers were concerned about permit mailing.

Response:

Administrative responsibility for the permit account will be or has been transferred to the administrative Post Office. Mailings must be submitted to that office for verification. Customers interested in obtaining a permit should contact the administrative postmaster.

4. Concern:

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

5. **Concern:**

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Porterville is an unincorporated community located in KEMPER County. The community is administered politically by Porterville Local Government. Police protection is provided by the Kemper County Sheriff Department. Fire protection is provided by the Porterville Fire Department. The community is comprised of predominately retirees and commuters to Lauderdale and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Briggs Chapel, Porterville Zion Church, Porterville Methodist Church, Enondale Zion Church, Cross Mtn Church, Rock Hill Primitive Church, New Beginings Church, Pilgrim Rest Baptist Church, BoHo Sprouts, Bait shop, County Barn, Fire Department, and Community Center, Porterville Water Association, Timberview Lodge, McCuen Co., Dirksen Construction, Stop N Go, Brigg's Lawn Service, . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Porterville Post Office will be available at the Lauderdale Post Office. Government forms normally provided by the Post Office will also be available at the Lauderdale Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:**

Customer expressed a concern about nonpostal services.

Response:

Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.

2. **Concern:**

Customer expressed a concern about the loss of the community bulletin board at the Post Office.

- Response:** Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
3. **Concern:** Customers expressed a concern about the loss of a bus stop at the Post Office.
- Response:** Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
4. **Concern:** Customers expressed concern for loss of community identity.
- Response:** A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
5. **Concern:** Customers expressed concern for loss of community identity.
- Response:** A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the community name in addresses. However, to ensure effective and regular service, the ZIP Code will change.
6. **Concern:** Customers were concerned about having to travel to another Post Office for service.
- Response:** Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
7. **Concern:** Customers were concerned about loss of employment in the community.
- Response:** The postmaster position is vacant and there is no guarantee that any replacement postmaster would be from the community.
8. **Concern:** Customers were concerned about senior citizens.
- Response:** Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on December 01, 2008. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 4,500 with a breakdown as follows:

Postmaster Salary (EAS-13, No COLA)	\$ 0
Fringe Benefits @ 33.5%	\$ 0
Annual Lease Costs	<u>+ \$ 4,500</u>
Total Annual Costs	\$ 4,500
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 4,500</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Porterville, MS Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Lauderdale Post Office, located 10 miles away.

The postmaster retired on December 01, 2008. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by rural route service.

The Porterville Post Office provided delivery and retail service to 33 PO Box or general delivery customers and 312 delivery route customers. The daily retail window transactions averaged 32. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$4,500 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
